

## Centennial BOCES Alternative High School

### WHO IS THE SCHOOL APPROPRIATE FOR?

- Students who are at least 17 years old or older
- Students who are behind in credits and want to graduate
- Students with significant attendance issues at their traditional high school
- Students who have to work
- Students who may need to help take care of family (get pregnant, etc.)
- Students who aren't succeeding in the normal classroom environment
- Students who want to get done so they can move on to college, trade school, employment, etc.
- "Non-traditional" students (over the age of 21) who want to come back and get a high school diploma instead of a GED

### SCHEDULE

- Mid- August to end of May (closed in summer)
- Monday through Thursday 7:30 A.M.- 3:30 P.M. and select Fridays from 8:00 A.M. - 12:00 P.M. at the Greeley location and Monday through Thursday 8:00 A.M.- 3:30 P.M. and select Fridays from 8:00 A.M. - 12:00 P.M. at the Longmont location.
- Students work with staff to determine attendance schedule
- Students must attend a minimum of 20 hours a week

### GENERAL INFORMATION

- Facility in Greeley (IBMC Campus) and in Longmont (IBMC Campus)
- Not an "online" program (ie: students must attend)
- Not "credit based" (ie: doesn't matter how many credits they have earned previously)
- Nothing transfers in or out of the program
- Computer based and project based competencies
- No homework, but students can take some things home to work on (packets, projects, etc.)
- Students do not receive grades or a GPA
- All work must be completed at a 80% level or higher
- Program is aligned to the state common core standards
- No set times for classes or a bell schedule
- Teachers facilitate student learning and help students with whatever they choose to work on
- Graduation ceremony in May (cap and gowns, etc.)
- If a student doesn't finish by May they come back in August and pick up where they left off
- **Questions? Call Mark Rangel 970-352-7404 ext. 1122 or Nicole Skalsky ext. 1184 for information on both Greeley and Longmont locations.**
