

September 28, 2018/February 22, 2019 – ELL Literacy Strategies to Increase Achievement – Part 1 and Part 2

September 28

Part 1 – Participants will explore the correlation between language and literacy development in our students who are English learners. Come ready to discover specific practices for English Learners to develop literacy and language competence simultaneously. Participants will learn specific strategies to increase academic discourse and engagement to provide access to English learners. Instructor: Cassie Guy, Elementary CLD Specialist with Greeley, District 6

February 22

Part 2 – Participants will dive deeper into the correlation between language and literacy development. Be ready to learn additional strategies for English language learners to have access to the content and conversations in their classrooms while simultaneously acquiring and learning English. Participants will be able to incorporate academic discourse and writing into lessons to increase the achievement of English language learners. Instructor: Cassie Guy, Elementary CLD Specialist with Greeley, District 6

8:30-4:00 p.m.

CBOCES training room – 2020 Clubhouse Drive, Greeley, CO
