

October 6 and November 3, 2018 – Reading Triage 2018-19 (Saturday's in St. Vrain, location to be determined) or

November 8 and 15, 2018 – Reading Triage 2018-19 (at CBOCES in Greeley)

For any K-3 teacher, specialist, etc. who works with students identified as having a significant reading deficiency. This is for any educator who has not previously taken the CBOCES Reading Triage Trainings from the past three years, or anyone who would like a review of the instructional strategies and content from prior years' Reading Triage Trainings.

Goals for the training include:

- Deepen knowledge related to evidence-based research to practice
- Review of the minimum Reading Competency Levels
- Focus on three tiers and Five Components of Reading
- Learn, develop and practice effective instructional strategies and practices to use with all students and specifically those identified with significant reading deficiencies

8:30-4:00 p.m., please bring a lunch
