

**January 29, 2019 – Writing is Not a Separate Subject**

There are many necessary preliminary skills for writing. The content will include an understanding why writing is difficult in terms of the skills and processes that are necessary to be a good writer. We will unpack the differences between written and spoken language. We will introduce pre-writing skills, handwriting and the stages of the writing process along with composition skills.

8:30-4:00 p.m., please bring a lunch

CBOCES training room – 2020 Clubhouse Drive, Greeley, CO
